TECHNICAL PRODUCT SHEET

Organic BANANAS SLICES

IQF
Frozen

Origin MADAGASCAR

SOURCE : FDM
CODE : FITFDM031
INDEX : 3
DATE : 01/06/2021

Organic food product from Organic farming certified by ECOCERT MG-BIO-154 NOP & EOS

Description	IQF bananas slices from agroforestry system	Nutritional value for 100g	
Ingrédient	100% of bananas pieces Ascorbic acid (E300)	Lipids :	0,5g
Caliber	Irregular	Proteins :	1,4g
Technical characteristics		Carbohydrates :	20g
Variety :	<i>Kotrika</i> (local variety)	Energetic value :	90kcal
Fruit :	Ripe (Brix \geq 20)		
Color :	White		
Process :	Aseptic fruits washing Hand peeling and cuts Treatment to ascorbic acid (0,5%) Freezing with Crust IQF freezer machine		
Critical points :	Ripeness control, control of schoked part, washing control of fruits		

Organoleptic characteristics	
Taste and odor :	Sweet, typical and strong flavor of banana
Texture :	Firm and tender

Physicochemical characteristics (for 1000g)		Micro-biological characteristics	
Blocks :	No more than 2 pieces in blocks (5%)	Total flora :	< 100.000 ufc/g
Foreign subjects :	Absence endogenous foreign bodies Absence exogenous foreign bodies	Yeasts & molds :	< 5 000 ufc/g
Brix 20° :	\geq 20	E-coli :	< 10 ufc/g
		Salmonella & Listeria :	abs. for 25g
		Virus hepatitis A :	absence
		Norovirus GI GII :	absence

Pesticide	Absence
Ionization / Additives / Dyes / Radioactivity	These products have not undergone any ionization treatment within the meaning of the Directive 1999/2/CE & 1999/3/CE
Heavy metals	Following the regulation
GMO	These products is not derivated from a GMO and does not contain any GMO material within the meaning of the regulations 1829/2003/CE & 1830/2003/CE
Allergen	Absence of allergen according to the directives 2000/13/CE & 2007/68/CE

Packaging and DLUO	
Size of carton (L,W,H)	395 x 265 x 200
MASTER CARTON	Net weight : 12 KG
CARTON OF DOYPACK	Net weight : 6,75 KG
DLUO	24 months
Blue liner food contact separating products from contact with carton	nb of doypack (150g) : 45 Storage temperature : -20°C, tolerance -18°C Carton closed with blue tape

Labelling	
Product name, origin, lot number, net weight, DLUO, freezing date, conservation temperature	
Sourcing lot number, day, team	
Indications of under labelling	
"FROZEN", do not refreeze a thawed product + manufacturer name and address	

2nd labelling	Barecode for tracability
