

Les Fruits de Madagascar

TECHNICAL PRODUCT SHEET

Organic GINGER PEELED

IQF
Frozen

Origin MADAGASCAR

SOURCE : FDM
CODE : FITFDM032
INDEX : 3
DATE : 01/06/2021

Organic food product from Organic farming certified by ECOCERT MG-BIO-154 NOP & EOS

Description	Ginger peeled from agroforestry system	Nutritional value for 100g	
Ingrédient	100% ginger peeled Ascorbic acid (E300)	Water :	78,89g
Technical characteristics		Lipids :	0,75g
Variety :	<i>Zingiber Or</i>	Proteins :	1,82g
Fruit :	Ripe (Brix ≥5)	Carbohydrates :	15,77g
Color :	Light brown	Energetic value :	89,11kcal
Process :	Aseptic fruits washing Hand peeling Treatment to ascorbic acid (0,5%) Freezing with Crust IQF freezer machine		
Critical points :	Fruits sorting		

Organoleptic characteristics	
Taste and odor :	Typical and strong flavor of ginger, spicy
Texture :	Firm

Physiochemical characteristics (for 1000g)		Micro-biological characteristics	
Blocks :	No more than 5 pieces in blocks (5%)	Total flora :	< 100.000 ufc/g
Foreign subjects :	Absence endogenous foreign bodies Absence exogenous foreign bodies	Yeasts & molds :	< 10 000 ufc/g
Skin :	Residual skin (1%)	E-coli :	< 10 ufc/g
		Salmonella :	abs. ds 25g
		Listeria :	abs. ds 25g
		Virus hepatitis A :	absence
		Norovirus GI GII :	absence

Pesticide	Absence
Ionization / Additives / Dyes / Radioactivity	These products have not undergone any ionization treatment within the meaning of the Directive 1999/2/CE & 1999/3/CE
Heavy metals	Following the regulation
GMO	These products are not derived from a GMO and does not contain any GMO material within the meaning of the regulations 1829/2003/CE & 1830/2003/CE
Allergen	Absence of allergen according to the directives 2000/13/CE & 2007/68/CE

Packaging and DLUO	
Size of carton (L,W,H)	395 x 265 x 200
MASTER CARTON	Net weight : 12 KG
DLUO	24 months
Blue liner food contact separating products from contact with carton	Storage temperature : -20°C, tolerance -18°C Carton closed with blue tape

Labelling
Product name, origin, lot number, net weight, DLUO, freezing date, conservation temperature, certified Organic by ECOCERT SA
Sourcing lot number, day, team
Indications of under labelling
"FROZEN", do not refreeze a thawed product + manufacturer name and address

2nd labelling	Barecode for tracability
